

## **I would like to become an employee member of FairHelp Austria. What do I need to do?**

### **1. Contact us:**

To become an employee (= passive association member) member at FairHelp Austria, please contact our association's office: [office@fairhelp.at](mailto:office@fairhelp.at) or via SMS to 06991 783 25 85.

You can contact us in the German language, or in one of the languages listed on our website. We will reply as soon as possible in the language of your choice.

### **2. Recommendation and interview**

Passive members (employees and employers) need a recommendation from an existing member (reference) for their membership. This can be either an employee or employer, or you can make an appointment for a personal interview in our association's office. We can help you filling in the membership application form. Please ensure you bring an official photo identification (ID card, passport, etc...) and your e-card. (You can also join FairHelp Austria if you don't have an e-card yet - please talk to us about it!)

**To become a FairHelp Austria member, we recommend that you make an appointment with our office for a personal consultation. Only then may we determine how we can best support you.**

If you want to become a member based on reference only (without attending a personal consultation) please send us the completed membership application, copies (scans) of your ID card and e-card as well as your curriculum vitae.

### **3. Membership fee**

Your membership\*) begins with the deposit of the agreed membership fee (currently € 12.- per year) in cash or bank transfer. Our account number:
